University, OTA,
Nigeria

Srinath Srinivasa
IIIT-Bangalore,
Bengaluru, India

CALL: you are hereby invited to submit full-length papers. The topics majorly include **Artificial Intelligence, Machine Learning, and Semantic Computing**, but are not limited to these. ISIC 2021 accepts 3 submissions types: comprehensive overview of the topic, review/survey of the topic, or research results/findings.

Though it is its first edition, ISIC 2021 has attracted already:

- 4 top-shot researchers as advisory
- 6 keynotes/invited talks
- 2 tutorials and 12 special sessions with 34 chairs
- Springer to publish the ISIC 2021 proceedings in the CCIS series
- 13 special issues in indexed journals for extended papers of ISIC 2021
- 21 members being chairs in main conference organization
- 200+ Program Committee members from 40 different countries
- High gender diversity with 32% women

If you have any questions, do not hesitate to contact the General Chairs at jasarika@nitkkr.ac.in and groppe@ifis.uni-luebeck.de

* Final approval pending
